CHRISTMAS THINGS.

MANILA, December 22.—Seventeen members of the Eighteenth Infantry, at Camp Keithly, Mindanao, are still it as the result of drinking some of the poisonous alcohol that killed ten of their comrades on December 15th. The alcohol was produced from the post exchange by some of the soldlers, who pretended that they wanted it for the lamps with which they hunted deer at night. Owing to the restoration of peaceful conditions in the neighborhood, after long disturbance, hunting leaves have been granted frequently of late, and the request was readily granted. A secret attempt was made to dilute the alcohol, and later a large number of the soldlers drank the poisonous liquor, with terribi@ results.
